ORDER  
(Section 73)

UPON the application of People's Restaurant Inc. ("People's") to the Ontario Securities Commission (the "Commission") for a ruling pursuant to section 73 of the Securities Act, R.S.O. 1980, c. 466 (the "Act") in connection with the issuance by People's to its shareholders of rights to purchase common shares of Michaels Stores Inc. ("Michaels");

AND UPON it being represented to the Commission as follows:

- (a) People's is a corporation incorporated under the laws of Texas. The issued and outstanding share capital of People's consists of 8,586,226 common shares (the "People's Shares"). There is one shareholder of People's whose address as shown in the shareholder register is in Ontario (the "Ontario Shareholder") and that shareholder is shown as the registered holder of 1,000 People's Shares.
- (b) Michaels is a corporation organized under Delaware law. The issued and outstanding capital of Michaels consists of 5,900,000 common shares (the "Michaels Shares"), all of which are owned by People's. Michaels has applied to have the Michaels Shares listed for quotation on the National Association of Securities Dealers' Automated Quotation system ("NASDAQ").
- (c) Neither People's nor Michaels is a reporting issuer in Ontario.
- (d) People's proposes to offer (the "Offering") to holders of People's Shares the right to purchase Michaels Shares from People's on the basis of one Michaels Share for every two People's Shares held, together with an additional subscription privilege to purchase up to four Michaels Shares for each Michaels Share initially purchased. The purchase privileges will be evidenced by Transferable warrants (the "Warrants") issued to People's shareholders.
- (e) The Offering is subject to the approval of the Securities and Exchange Commission (the "SEC"). A preliminary prospectus, together with a Form S-1 Registration Statement, has been filed with the SEC.

AND UPON the Commission being satisfied that to do so would not be prejudicial to the public interest;

IT IS RULED pursuant to subsection 73(1) of the Act that the issuance of the Warrants by People's and the transfer of Michaels Shares pursuant to the exercise of the Warrants is not subject to sections 24 and 52 of the Act, provided that:

1. the Ontario Shareholder is provided with a copy of all material provided to shareholders of People's in connection with the Offering and a copy of this Ruling; and
2. The first trade in the Warrants and the Michaels Shares transferred pursuant to the exercise of the Warrants is a distribution unless the trade is made:
  - (i) in accordance with subsection 71(5) of the Act and section 18a of the Regulation made under the Act;
  - (ii) pursuant to a statutory exemption from the prospectus requirements of the Act as if the relevant provisions of the Act were applicable to such trade; or
  - (iii) through the facilities of NASDAQ, in accordance with the rules of NASDAQ and in accordance with all applicable state and federal laws of the United States of America.

BANKET INVESTMENTS PARTNERSHIP

ORDER  
(section 99(e))

UPON the application of Pagebrook Realco Partnership ("Pagebrook"), and Granflume Investments Partnership, Hawksdale Investments Partnership, Tallvest Investments Partnership ("Tallvest"), Granbret Holdings Partnership, Camure Investments Partnership, Belordin Investments Partnership ("Belordin"), Eldamar Investments Partnership ("Eldamar") and Banket Investments Partnership (collectively the "Existing Partnerships") to the Ontario Securities Commission (the "Commission") pursuant to section 99(e) of the Securities Act, R.S.O. 1980, c. 466 (the "Act") for an order exempting Pagebrook and the Existing Partnerships from certain requirements of Part XIX of the Act in connection with the proposed offer by Pagebrook to purchase all the outstanding limited partnership interests (the "Existing Units") of the Existing Partnerships;

AND UPON it being represented to the Commission that:

1. Pagebrook, a limited partnership organized and registered under the laws of Ontario in March, 1984 intends to offer to purchase all Existing Units of the Existing Partnerships in exchange for limited partnership interests of Pagebrook (the "Offer");
2. Neither Pagebrook nor any of the Existing Partnerships is a "reporting issuer" under the Act. However, each of the Existing Partnerships currently provides its limited partners with substantially the same information as required by Part XVII of the Act;

3. The Offer will be made to all holders of Existing Units who are residents of Canada within the meaning of the Income Tax Act (the "Offerees");
4. Each Offeree who accepts the Offer will receive, for each Existing Unit taken up and paid for, Class A Units and Class B Units representing limited partnership interests in Pagebrook. The number of Class A and B Units offered for each Existing Unit is based, among other factors, upon the fair market value of the real property owned by each of the Existing Partnerships as determined by an independent real estate appraiser;
5. Pagebrook does not intend to compulsorily acquire any Existing Units which are not deposited under the Offer;
6. Each Existing Partnership, other than Eldamar (58), Tallvest (54) and Belordin (55), has not more than 50 unitholders. Each Existing Partnership has provisions in its constating documents restricting the right of a limited partner to transfer its Existing Units and prohibiting the issuance of additional limited partnership units to members of the public;
7. In the event that a limited partner wishes to assign its Existing Units, the constating documents of each Existing Partnership provide for a right of first refusal in favour of the other limited partners for a period of time up to 30 days;
8. Pagebrook proposes to include in the Offer conditions that it will have the right not to take up and pay for any Existing Units in respect of any Existing Partnership if:
  - (a) fewer than 90% of the Existing Units in respect of any particular Existing Partnership are on deposit at the expiry time of the Offer;
  - (b) fewer than 90% of the Existing Units in respect of all Existing Partnerships are on deposit at the expiry time of the Offer;
  - (c) there exists at the time of taking up and paying for Existing Units deposited under the Offer any prohibition at law against taking up and paying for such Existing Units;
  - (d) prior to the time that Pagebrook takes up and pays for Existing Units deposited under the Offer, any limited partner of an Existing Partnership lawfully exercises its right of first refusal;
  - (e) any undisclosed action or omission prior to the date of the Offer or any action subsequent to the date of the Offer by any person or company, other than Pagebrook, including a governmental or regulatory authority, or by any Existing Partnership or its general partner, results in a material change in the affairs of any Existing Partnership; and
  - (f) an advance income tax ruling from Revenue Canada, Taxation, in form and substance acceptable to counsel for Pagebrook confirming that the income tax consequences relating to the Offer and the continuing ownership of limited partnership units in Pagebrook are as set out in the take-over bid circular accompanying the Offer subject to the Offer being abandoned if such a ruling is not received on or before June 30, 1984;
9. Pagebrook proposes to include in the offering circular accompanying the Offer a pro forma balance sheet of Pagebrook prepared on the basis of the Offer being successful, and a pro forma combined income statement of the

Existing Partnerships, together with audited financial statements for each of the Existing Partnerships for their respective fiscal years ended December 31, 1983 and 1982; and

10. The general partner of each of the Existing Partnerships is an affiliate of Pagebrook.

AND UPON the Commission being of the opinion that it would not be prejudicial to the public interest to so order;

IT IS ORDERED pursuant to section 99(e) of the Act that with respect to the Offer:

- A. Pagebrook is hereby exempted from the requirements of (i) section 89(1)12 of the Act to the extent necessary to permit Pagebrook to include in the Offer the conditions set forth in paragraph 8 of this Order; (ii) section 89(1)13 of the Act provided that any Existing Unit deposited under the Offer and not taken up and paid for by Pagebrook may be withdrawn by or on behalf of an Offeree after 65 days from the date of the Offer; and (iii) section 94(2) of the Act to the extent necessary to permit Pagebrook to include in the offering circular accompanying the Offer the financial statements referred to in paragraph 9 of this Order; and
- B. the Existing Partnerships are exempted from the requirements of section 96 of the Act,

provided that the first trade in limited partnership interests in Pagebrook acquired pursuant to the Offer is a distribution unless such trade is made in compliance with section 71(5) of the Act.
